BAMBOO FRENCH TERRY

Our pre-shrunk stretch French Terry fabric, made of 70% Bamboo, 25% Cotton, 5% Spandex, is unparalleled for its blissfully soft feel and flattering fit. With added spandex for a little extra "give" when moving around, it is antibacterial, odor resistant, has natural wicking properties and is static free. The natural properties of bamboo keep you cool in Summer and warm in Winter. These properties of bamboo remain even after 50 washes. Our own special blend of Bamboo French terry so it won't bag out. Preshrunk so there are no surprises when washed.
