Tri-Lite

Tri-Lite is a uniquely new hi-performance 100% Polyester Interlock 3-Layer. Bonded with a technical membrane between the layers to give you the lightest weather resistant jacket yet. With a 2-way stretch that really feels like a 4-way stretch, it is ideal for any activity as it keeps you warm and dry. Supple to the touch, super soft, super comfy, super quiet. An absolute break through. The answer to the storm that threatens your vacation. So soft, light and packable. Any wrinkles fall right out when unpacked. These are the only jackets you need in your golf bag.
