Ashton LS V-Neck

Style# 226

Tasteful long sleeve V-neck. So soft, so today. Make a statement.

Bamboo Jersey by BRANDWEAR® is softer than the softest cotton and has a natural sheen to the surface. Protective Bamboo fiber contains a natural agent that prevents the growth of bacteria, thus keeping you odor-free. Bamboo apparel is comfortable, more breathable than cotton, fast drying, moisture-wicking and thermal regulating. It will keep you cooler in the summer and you can layer it to be warmer in the winter. Bamboo is inherently organic. It is grown without pesticides or chemicals and is 100% bio-degradable. It has been found to show no reduction in its antibacterial nature, even after 50 washes. Preshrunk, so there are no surprises when washed.
