

#297 BAMBOO Versatile BUFFEE Face Covering

BAMBOO Jersey- 70% Bamboo 25% Cotton 5% Spandex

WASHABLE, REUSABLE, WICKING, THERMAL REGULATING, ANTI-BACTERIAL, UV PROTECTIVE.

These properties remain always. Tested up to 50 washes.

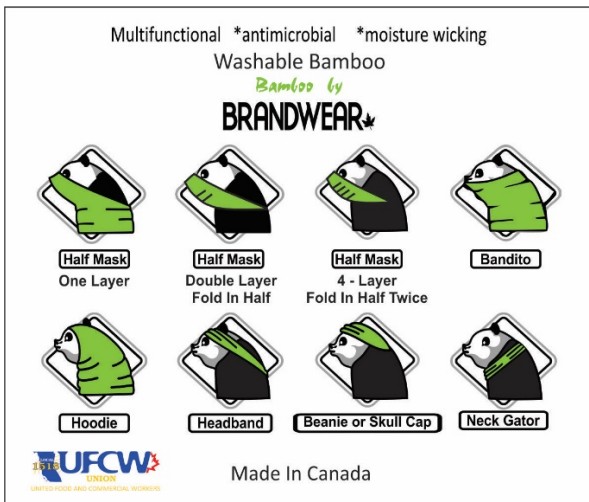

THE most comfortable Alternative to a face mask. Wear around your neck & pull over mouth and nose when needed. Single layer, Double layer or Four layer. You choose!

- Bamboo is a green and natural fiber. So comfortable to wear and breath through.
- Bamboo fabric has a natural sheen and softness that feels and drapes like silk
- Bamboo is naturally anti-bacterial, and thus stops odor producing bacteria from growing, allowing it to remain fresh smelling.
- Bamboo is highly absorbent and wicks away moisture 3 to 4 times faster than cotton
- The structure of the Bamboo fibers make our buffee's more breathable and thermo regulating than any other in the market place
- Our bamboo fabric is pre-shrunk, washes easily, dries thoroughly - and looks great after repeated washes
- Bamboo plants grow naturally and absorb 5 times the amount of carbon dioxide while producing 35% more oxygen than an equivalent stand of trees
